Save the date for Oaks Integrated Care's Rooted in Community Awards celebrating outstanding local heroes in our community.

Join us at Grounds For Sculpture in Hamilton, NJ, as we recognize distinguished individuals and organizations who have strong roots in the communities we serve and contribute to our region through their work, service and leadership. Your generous support will help us honor local heroes committed to supporting their neighbors and serving the greater good.

Every dollar raised benefits Oaks' programs, dedicated to improving the quality of life for children, adults and families living with a mental illness, addiction or developmental disability. We offer over 230 programs throughout New Jersey designed to meet the needs of our community with compassion.

Help us Reach Our \$140,000 Goal

The Rooted in Community Awards is Oaks' annual major fundraising event that invites local businesses, corporations and individuals to support Oaks' mission. Proceeds raised help Oaks deliver out mission-critical services to more than 30,000 individuals a year. We ensure that basic everyday human essentials such as housing, food and quality health and social services are accessible to everyone, regardless of their financial circumstances.
